

# The Colonsay Church of Scotland Belfry Bazaar.

Our church is undergoing a programme of renovation and vital maintenance work, including repairs to the Belfry, and more funds are needed to complete the existing schedule, and to ensure that this historic building can be kept in good shape into the future.

As part of the fund raising efforts the Church of Scotland at Scalasaig is looking forward to hosting an **exhibition of art and craft** and is looking for **local & visiting artists and makers** to donate a piece of work that can be part of this exhibition and sale.

Exhibits might include **QUILTING, PHOTOGRAPHY, PAINTING, POTTERY, DRAWING, KNITTING, RUG-MAKING** or any other creative process that comes to mind – all will be very welcome.

Could you help out by donating a piece of work - large or small?

**The exhibition will run from 20th March to 15th May 2016.**

Proceeds will go to the maintenance of this historic building.

Unsold work will remain the property of the person giving it.
